

a million voices for nature

RSPB Scotland has an exciting opportunity to work on a new European funded project across Machair croftland in the Hebrides. Contracts are based in Benbecula, Western Isles and will run until 31 March 2014. Knowledge of the natural history and culture of the Hebridean islands is desirable.

Conserving Scottish Machair LIFE+ Project Manager

£22,000 - £26,000 pa

You will manage the Machair LIFE+ Project on the Western Isles and Argyll Islands, planning, monitoring and auditing budgets, appointing and supervising contractors, managing project staff and writing reports as necessary. To report to a Steering Group comprising of the project partners; RSPB Scotland, Comhairle nan Eilean Siar, Scottish Natural Heritage and Scottish Crofting Foundation.

You will have staff and land management experience, an understanding of crofting systems, excellent communication skills and know how to get the best out of a team.

Conserving Scottish Machair LIFE+ Advisory Officer

£19,000 - £21,000 pa

As full-time Advisory Officer, you will co-ordinate the production of guidance materials, management plans and demonstration events on the Western Isles and Argyll Islands, as part of Machair LIFE+ project, working in tandem with the crofting community to develop and implement agricultural management practices.

You should possess excellent communication skills and have knowledge of agricultural practices.

Closing date for both posts: 30 October 2009.

Interview dates: w/c 9 November 2009 in Benbecula.
